It is expected that the Notice of Annual Meeting of Shareholders, our Annual Report on Form 10-K of the Securities and Exchange Commission for fiscal year ended March 31, 2014, which is incorporated herein by reference, this Proxy Statement and the accompanying Proxy card will be mailed to shareholders starting on or about August 18, 2014

Voting Procedures

The presence in person or by Proxy of a majority of the voting power at the Annual Meeting is required to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be considered represented at the Annual Meeting for the purpose of determining a quorum. The shares represented by each Proxy will be voted in accordance with the instructions given therein. Where no instructions are indicated, the Proxy will be voted in favor of all matters to be voted on as set forth in the Proxy and, at the discretion of the persons named in the Proxy, on any other business that may properly come before the Annual Meeting. Each shareholder will be entitled to one vote for each share of common stock held and will not be entitled to cumulate votes in the election of directors. Shares that are authorized but not yet issued will not be entitled to vote at the Annual Meeting. The expense of printing and mailing Proxy materials, including expenses involved in forwarding Proxy materials to beneficial owners of common stock held in the name of another person, will be paid by us. No solicitation, other than by mail, is currently planned.

YOUR VOTE IS IMPORTANT. PLEASE SUBMIT YOUR PROXY PROMPTLY.

Revocability of Proxy

The submission of a signed Proxy will not affect a shareholder's right to attend the Annual Meeting and vote in person. Shareholders who execute proxies retain the right to revoke them at any time before they are voted by filing with the Secretary of the Company a written revocation or a Proxy bearing a later date at the corporate address. The presence at the Annual Meeting of a shareholder who has signed a Proxy does not, by itself, revoke that Proxy unless the shareholder attending the Annual Meeting files a written notice of revocation of the Proxy with the Secretary of the Company at any time prior to the voting of the Proxy at the meeting.

Proxies will be voted as specified by the shareholders. Where specific choices are not indicated, proxies will be voted **FOR** the election or adoption of each item so presented.

The Board of Directors knows of no other matters to be presented for shareholder action at the Annual Meeting. If any other matters properly come before the Annual Meeting, the persons named as proxies will vote on such matters in their discretion.

Record Date

Only shareholders of record at the close of business on Friday, August 15, 2014 (this date is referred to as the “record date”), are entitled to receive notice of and to vote the shares of common stock registered in their name at the Annual Meeting.

Outstanding Shares

As of the record date, we anticipate approximately 71,825,998 shares of our common stock outstanding. Each share of common stock entitles the holder to cast one vote on each matter to be voted upon at the Annual Meeting.

Voting Rights and Required Vote

Under Idaho law, the Idaho Business Corporation Act requires the presence of a quorum to conduct business at the Annual Meeting. A quorum is defined as the presence, either in person or by Proxy, of a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting. The shares represented at the Annual Meeting by Proxies that are marked “withhold authority” will be counted as shares present for the purpose of determining whether a quorum is present. Broker non-votes (i.e., Proxies from brokers or nominees indicating that such persons have not received instructions from beneficial owners to vote shares as to a matter with respect to which the brokers or nominees do not have discretionary power to vote) will also be counted as shares present for purposes of determining a quorum.

Directors are elected by the affirmative vote of a plurality of the shares of common stock present, either in person or by Proxy, at the Annual Meeting and entitled to vote. For this purpose, “plurality” means that the individuals receiving the largest number of votes are elected as directors, up to the maximum number of directors to be chosen at the election. In the election of directors, votes may be cast in favor, against or withheld. Votes that are withheld and broker non-votes will have no effect on the outcome of the election of directors.

A majority of the outstanding shares of the Company entitled to vote, represented in person or by Proxy, constitute a quorum at the Annual Meeting of shareholders.

Effective Dates

The election of directors, if approved by the shareholders, will be effective immediately following the Annual Meeting.

For purposes hereof, a person is deemed to be the beneficial owner of securities that can be acquired by such person within 60 days from the date hereof upon the exercise of warrants or options or the conversion of convertible securities. Each beneficial owner's percentage of ownership is determined by assuming that any warrants, options or convertible securities that are held by such person (but not those held by any other person) and which are exercisable within 60 days from the date hereof, have been exercised. Todd Hackett is the only beneficial owner as defined by the Securities Exchange Commission as owners with greater than 10% ownership.

Director Qualifications

In evaluating potential directors, The Board considers the following factors:

- the appropriate size of our Board of Directors;
- our needs with respect to the particular talents and experience of our directors;
- the knowledge, skills and experience of nominees, including experience in finance, administration, or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;
- familiarity with the educational industry;
- experience with accounting rules and practices; and

- the desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by new Board members.

Our goal is to assemble a Board of Directors that brings together a variety of perspectives and skills derived from high quality business and professional experience. In doing so, The Board will also consider candidates with appropriate non-business backgrounds.

Other than the foregoing, there are no stated minimum criteria for director nominees, although The Board of Directors may also consider such other factors as they may believe are in the best interests of PCS and its shareholders.

The Board of Directors identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-election. If any member of the Board does not wish to continue in service or if we decide not to re-nominate a member for re-election, we then identify the desired skills and experience of a new nominee in light of the criteria above. Current members of the Board of Directors are polled for suggestions as to individuals meeting the criteria described above. The Board may also engage in research to identify qualified individuals. To date, we have not engaged third parties to identify or evaluate or assist in identifying potential nominees, although we reserve the right in the future to retain a third party search firm, if necessary.

Role of Board in Risk Oversight

One of the functions of our Board of Directors is informed oversight of our risk management process. The Board does not have a standing risk management committee, but oversees this function through the Board as a whole, as well as through the audit committee, which is responsible for discussing guidelines and policies to govern the process by which risk assessment and management is undertaken.

Our Board oversees risk, including operational risk, liquidity risk and credit risk in various ways. Board meetings generally include discussions among Board members, management and outside consultants, when practical, regarding material risks we face, including operational and financial risk. Our management provides information to the Board regarding our approach to material risks, both at meetings and on a regular basis during informal discussion. In addition, the Board generally reviews the disclosures in our Annual Report on Form 10-K, including the risk factors. The Board's discussions with management include whether all material risks and concerns have been identified and the manner in which management will address the issues.

Potential Conflicts of Interests of Compensation Consultants

None.

Committees

Audit Committee:

We chartered an audit committee in 2001 for the purpose of engaging an accounting firm, which is currently M&K CPAs, PLLC, for our annual audit and quarterly reviews. The audit committee currently consists of Board members Murali Ranganathan, Todd Hackett, and Andrew Scoggin. Mr. Ranganathan, Audit Committee Chair, is considered a committee financial expert based on his previous work experience and the definition contained in Reg. 228.401 Instructions to paragraph (e)(1) of Item 401 of the Sarbanes-Oxley Act.

The audit committee continued to implement its Charter regarding the scope and responsibilities for the audit committee adopted in fiscal year 2005 and revised in fiscal year 2010. The audit committee meets with M&K CPAs, PLLC via telephone on a quarterly basis and meets separately with management to review quarterly financial results and discuss any issues. In addition, the audit committee discusses auditing issues as needed during regularly scheduled Board meetings, which are documented in the Company's minutes.

The audit committee is currently responsible for

- (i) appointing or replacing our auditing firm;
- (ii) reviewing the scope, reports, costs, and other items related to the quarterly reviews and annual audit conducted by our auditors;
- (iii) reviewing the qualifications, expertise, and suitability of our auditors;
- (iv) speaking with and approving all actions to be undertaken by our auditors; and

Governance/Nominating Committee:

The *Governance/Nominating Committee* currently consists of Board members Britt Ide, Murali Ranganathan, and Robert Grover. Currently, our directors submit nominations for election to fill vacancies on the Board to the entire Board for its consideration.

Our Bylaws do not contain any provision addressing the process by which a shareholder may nominate an individual to stand for election to the Board of Directors, and we do not have any formal policy concerning shareholder recommendations to the Board of Directors. To date, we have not received any recommendations from non-affiliate shareholders requesting that the Board consider a candidate for election to the Board. However, the absence of such a policy does not mean that the Board of Directors would not consider any such recommendation, if one is received. The Board would consider any candidate proposed in good faith by a shareholder. To do so, a shareholder should send the candidate's name, credentials, contact information and his or her consent to be considered as a candidate to the attention of the company's Secretary, Britt Ide at 345 Bobwhite Court, Suite 200, Boise, ID 83706. The proposing shareholder should also include his or her contact information and a statement of his or her share ownership in the Company (how many shares owned and for how long).

Our Board of Directors does not have a formal process for security holders to send communications to the Board. However, our directors take great interests in the concerns of shareholders. Security holder communications may be sent to: Board of Directors, PCS Edventures!.com, Inc., 345 Bobwhite Court, Suite 200, Boise, Idaho 83706. Communications may also be sent to any individual director at our address.

Compensation Committee:

We adopted a compensation committee during fiscal year 2004 for the purpose of regulating management's compensation, as well as any incentive plans proposed by the Company. The compensation committee currently consists of Board Members Britt Ide, Todd Hackett and Andrew Scoggin. None of the members of the committee is now or was previously an officer or employee of the Company or any of its subsidiaries. Compensation for each member of the compensation committee is included in the table titled Director Compensation for fiscal year 2014.

Compensation Committee Report

This report is being submitted by the compensation committee. This report addresses what the compensation committee is responsible for and how the Company currently decides on compensation of its executive officers.

The compensation committee is currently responsible for

- (i) reviewing and monitoring the appropriateness of the Company's executive compensation;
- (ii) reviewing and approving, where necessary, compensation and benefits to executives;
- (iii) evaluating the performance of the executive officers;
- (iv) monitoring the benefit plan(s) offered to employees of the Company; and
- (v) evaluating and making recommendations for the stock incentive plan(s).

The compensation committee did not hold any meetings during fiscal year 2014. However, any discussions related to compensation were discussed during regularly scheduled Board meetings, after which time the conversations were incorporated into the Company's minutes. Within these discussions, the compensation committee discussed Compensation Discussion and Analysis including, but not limited to compensation awarded to, earned by or paid to the executive officers of the Company; current and long-term compensation for executive officers; and proposed incentive compensation plans. The compensation committee sets all levels of compensation for the executive officers. For executive officers other than the CEO, the committee reviews, analyzes and makes a determination of compensation based on recommendations from the CEO. The CEO's compensation is determined by the compensation committee each year after open discussions with other Board members. The key components of our compensation strategy is to link performance and shareholder value to salaries, stock bonus awards, and stock option awards to recognize the contribution of each individual executive officer, as well as to recognize the business results as demonstration by the executive officers as a whole.

The board conducted two regular board meetings and numerous informal conferences. No director attended less than 75% of the meetings.

Director Independence

We believe that all members of our Board of Directors, with the exception of our Chief Executive Officer, Mr. Robert Grover, are independent based on the following definition of NASDAQ, which is quoted below from Rule 5605(a)(2), which our Board of Directors has adopted this definition of an “independent director” even though we are not required to have independent directors. (2) ”Independent Director” means a person other than an Executive Officer or employee of the Company or any other individual having a relationship, which, in the opinion of the Company’s Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. For purposes of this rule, “Family Member” means a person’s spouse, parents, children and siblings, whether by blood, marriage or adoption, or anyone residing in such person’s home. The following persons shall not be considered independent:

(A) a director who is, or at any time during the past three years was, employed by the Company;

(B) a director who accepted or who has a Family Member who accepted any compensation from the Company in excess of \$120,000 during any period of twelve consecutive months within the three years preceding the determination of independence, other than the following:

- i. compensation for Board or Board committee service;
- ii. compensation paid to a Family Member who is an employee (other than an Executive Officer) of the Company; or

- iii. benefits under a tax-qualified retirement plan, or non-discretionary compensation.

Provided, however, that in addition to the requirements contained in this paragraph (B), audit committee members are also subject to additional, more stringent requirements under Rule 5605(c)(2).

(C) a director who is a Family Member of an individual who is, or at any time during the past three years was, employed by the company as an Executive Officer;

(D) a director who is, or has a Family Member who is, a partner in, or a controlling Shareholder or an Executive Officer of, any organization to which the Company made, or from which the Company received, payments for property or services in the current or any of the past three fiscal years that exceed 5% of the recipient's consolidated gross revenues for that year, or \$200,000, whichever is more, other than the following:

- i. payments arising solely from investments in the Company's securities; or
- ii. payments under non-discretionary charitable contribution matching programs.

(E) a director of the Company who is, or has a Family Member who is, employed as an Executive Officer of another entity where at any time during the past three years any of the Executive Officers of the Company serve on the compensation committee of such other entity; or

(F) a director who is, or has a Family Member who is, a current partner of the Company's outside auditor, or was a partner or employee of the Company's outside auditor who worked on the Company's audit at any time during any of the past three years.

(G) in the case of an investment company, in lieu of paragraphs (A)-(F), a director who is an "interested person" of the Company as defined in Section 2(a)(19) of the Investment Company Act of 1940, other than in his or her capacity as a member of the Board of Directors or any Board committee.

Effective September 1, 2012, the Board resolved and adopted the annual fees to be paid to outside Directors of the Board be reduced to \$15,000 annually and paid in the form of Restricted Stock Units, or other form authorized under the PCS 2009 Equity Incentive Plan as the Board determines. Restricted Stock Units are subject to forfeiture as described in the 2009 Plan. As of March 31, 2014, the Company had \$20,000 of director fees accrued. The CEO is excluded from receiving additional compensation as a Board member beginning the second fiscal quarter of 2006 by unanimous consent of the Board.

The following table shows awards and payments to outside Directors of our Board for fiscal year ending March 31, 2014 as compensation.

Name	Fees Earned or Paid in Cash (\$)	Stock Awards (\$)	Option Awards (\$)	Non-Equity Incentive Plan Compensation (\$)	Change in Pension value and Nonqualified Deferred Compensation Earnings	All Other Compensation (\$)	Total (\$)

Todd Hackett	-	15,000	-	-	-	-	15,000

(i) Don Farley resigned effective August 1, 2013 announced on the 8-K dated July 29th, 2013. Restricted Stock Unit agreements for non-management directors call for payment of current year director fees via issuance of restricted stock units over a vesting period of not less than twelve months, and require continued service for twelve months and reelection at the next annual shareholder meeting. Therefore Don Farley's restricted stock units for fiscal year 2014 were forfeited upon resignation.

Certain Relationships and Related Transactions

During the year ended March 31, 2014, the Company converted an aggregate 442,857 restricted stock units ("RSUs") payable to common stock to three non-management directors, D. Dennis, T. Hackett, and M. Ranganathan, for services rendered at a rate of one share of common stock for each restricted stock unit. Non-management Director Todd Hackett and Dehryl Dennis received 150,000 shares of common stock. Each common stock share is valued at \$0.10, based on the closing price of the Company's common stock at the date of grant. Non-management Director Murali Ranganathan received 142,857 shares of common stock. Each common stock share is valued at \$0.07, based on the closing price of the Company's common stock at the date of grant. As of March 31, 2014, \$20,000 is accrued under Restricted Stock Unit payable.

During the fiscal years ended March 31, 2012 through March 31, 2014, the Company entered into various loan transactions with members of the Board of Directors (D. Farley), shareholders (T. Family Relationships

Chief Executive Officer, Robert Grover spouse, Heidi Grover works for the company as Director of the AdventuresLab programs in Boise and Eagle, Idaho.

Involvement In Certain Legal Proceedings

Anthony Maher brought suit against PCS, claiming breach of an employment contract, interference with economic expectancy, and fraud. Settlement was agreed in principle during mediation on July 9, 2014 as follows: in exchange for dismissal of the suit, and release of PCS from any liability to Mr. Maher for any and all claims related to Mr. Maher's employment contract with PCS, PCS will issue Mr. Maher 400,000 shares of the common stock of PCS, and pay him \$50,000.00. PCS does not admit the allegations or any other wrongdoing, but rather settled the matter for a modest amount to avoid the expense of defending it in court. The settlement agreement has not been signed but we anticipate execution of the settlement agreement and dismissal of the suit by August 15, 2014. There are no other lawsuits pending involving PCS.
